

UNITED STATES SERVICE ACADEMY NOMINATIONS INFORMATION PACKET 2010-2011

U.S. REPRESENTATIVE RUSH HOLT
12th Congressional District, New Jersey

GENERAL INFORMATION

Congressman Holt's nominees for appointment to the Military Service Academies are selected on a competitive basis, using criteria determined by the Academies to be indicative of a candidate's potential for success as a Cadet or Midshipmen. Competition for places in our nation's Service Academies is keen. Therefore, in addition to seeking a nomination from Congressman Holt, you are urged to apply to every nomination that your eligibility allows (i.e., Senatorial, Presidential, Vice Presidential, Children of Deceased or Disabled Veterans, etc.). You may find other sources of Service Academy nominations listed in the table below.

Each Congressional Office uses a selection process that is designed to meet its own needs and standards. The different procedures are often confusing to applicants who apply to more than one office. You can avoid last-minute misunderstandings by carefully studying and following the instructions of each office.

Certain information is required as outlined below in order for you to be considered as an applicant. It is **YOUR** responsibility to submit this information and to **keep it updated**. The postmark deadline for receipt of information in Congressman Holt's office is **October 15, 2010**. Candidates whose files are incomplete after that date will not be given consideration.

Please give careful thought to your first choice of an academy. Second choices can be considered only in the event that there are not enough qualified candidates in an academy category to fill a slate of nominees. (First-choice designations may be changed at any time before nominations are made.)

In late fall, all potential applicants will meet with the Academy Selection Committee, a group of community leaders with academy or other military experience who have volunteered to interview each candidate and report back to Congressman Holt. These interviews are among the most important factors Congressman Holt takes into account when deciding whom to nominate.

All information should be sent to:
Congressman Rush Holt
50 Washington Road
West Windsor, NJ 08550

REQUIREMENTS

1. **Residency:** The applicant must be a legal resident of the 12th Congressional District. To determine if you are a resident of this district, go to www.house.gov. In the upper left-hand corner, you will find a sentence that says, “Find Your Representative.” Insert your nine-digit ZIP Code. If you do not have the last four digits, enter the first five digits and you will see instructions on how to find the full ZIP Code.
2. **Letter of Interest:** Please send Congressman Holt a letter of interest in the spring of 2010 (sample attached).
3. **Application Form and Photograph:** An application form (attached) must be completed in full. Please send with it a current photograph. This form asks for a separate list of extra-curricular activities in resume format (sample attached). Formal candidacy is established in Congressman Holt’s office upon receipt of the application and photograph. **It is not necessary for you to send all required information at once, and you should not wait to file your application if transcripts or test scores are not immediately available.**
4. **Recommendation Form:** A recommendation form (attached) must be completed by your school guidance counselor or principal and returned by that person to Congressman Holt’s office. Please use the attached recommendation form. If necessary, additional sheets may be added.
5. **Transcript:** An official transcript of your high school record must be submitted. The transcript must show your final junior grades and, preferably, a numerical class rank (if your school keeps track of this). If you apply before this information is available, it will be **your** responsibility to request your guidance counselor to send an up-to-date transcript and to keep your records current.
6. **College Boards:** The Service Academies require the SAT or ACT for all potential candidates. Applicants are responsible for registration for tests and for requesting scores to be sent to the academy/academies and to Congressman Holt’s office. (The SAT testing code number for Congressman Holt is 0209; the ACT testing code number is 7535.)
7. **Qualifying Medical Examinations:** The individual academies will schedule a medical examination by the Department of Defense Medical Examination Review Board (DoDMERB) after receipt of the pre-candidate questionnaire, which is used to open a pre-admission file at the academy of your choice. There is no cost to the candidate for this examination.

8. **Additional Letters of Recommendation:** In addition to the recommendation form filled out by your guidance counselor or principal, you must submit two letters of recommendation from non-family members, addressed to Congressman Holt. Service Academies place strong emphasis on physical training, leadership potential and extra-curricular activities. Therefore, all recommendation letters should emphasize the candidate's proven abilities in these areas.
9. **Essay:** Candidates are required to write an essay on their reasons for wanting to attend an academy. This should be typed on a separate piece of paper. The essay should be approximately 200 to 300 words; you may extend your essay, but please do not write more than 400 words.

TYPE OF NOMINATION — COMPETITIVE

Congressman Holt will nominate candidates based largely on the recommendations of an advisory committee composed of community leaders from central New Jersey, most of whom have military experience. The number of candidates he can nominate will depend on the number of vacancies available at each Academy for the 12th District. The Congressman may nominate up to ten candidates to compete for each vacancy, with the exception of the Merchant Marine Academy, for which a total of ten nominations may be made annually. Those candidates selected for nomination will then be evaluated by the respective academies, which will make the final appointment. **NOTE: There are no congressional nominations to the U.S. Coast Guard Academy, therefore Congressman Holt does not participate in the CGA admissions process.**

BASIS FOR SELECTION

Selections are made competitively on the basis of a composite of academic factors (60%) and leadership potential, extra-curricular activities, physical fitness and recommendations (40%). The following factors are given particular consideration:

1. **Academic:** School records, class rank, grade point-average and College Board scores are required. The higher a candidate's scores and class standing, the greater his or her chances for nomination will be, assuming the candidate is qualified in the remaining areas of consideration.
2. **Activities:** Extra-curricular activities, physical fitness and participation in sports are taken into account.
3. **Motivation.** One of the most important considerations in the selection of nominees is motivation; that is, the candidate's desire to attend a Service Academy. Such an aspect of character is, of course, difficult to measure but can be judged partially through recommendations, the interview process and the candidate's diligence in completing his or her file.
